FLANDERS

FORCED RUSSIANS BACK IN GALICIA BUT HAVE NO ADVANTAGE

(Associated Press)

Paris, May 27.—A French aerial squadron, composed of eighteen aeroplanes, each carrying 110 pounds of projectiles, this morning bombarded the German chemical factory at Ludwigshafen on the Rhine. Fire broke out in several buildings as the result of the bombardment. The factory is one of the most important manufactories of explosives in Germany. The war office officially announced the bombardment this afternoon.

Fort Smith, Ark., May 27.-Six persons are reported dead in eastern Oklahoma as a result of a storm last night and early coday. Two are dead Reports from Antlers, Okla., say more than sixty were injured at Tal-Wire and rail communication from the stricken district, which includes western Arkansas, is almost entirely cut off today. Some estimates place the loss of

life at a larger figure. Property damage is heavy. Heavy rains are causing the streams to rise and there are fears of a flood.

ANOTHER WINTER SPELL Washington, May 27.-Killing frosts throughout the lake region and middle Atlantic states broke the May weather records for several years last night. While there may be frost in some sections tonight, warmer weather is promised tomorrow.

The regular semi-monthly meeting of the Woodmen will be held tomorrow evening. Reports of committee on the picnic and other important

business is to be passed on. As soon as the regular business is over, the doors will be opened and a social session will be enjoyed. All Woodmen should be present and members of their families and friends

will be welcome. MEET IN FLORIDA IN MAY
